

Your Super Secret Powers

Use as many sheets as you need. Put one major goal on each each and then list the steps to get there underneath. Make sure all goals are Specific, measurable, actionable, realistic, timely, positive, and in present tense! If you need help getting your action plan together, let me know!

Goal	Steps to get there	Resources (who and what you will need)	How will I know when I finished?`	Time frame/due date
